Police Response Time to Emergency Calls
Received to Arrival

Definition: The Graph portrays the time it takes a police officer to respond to a priority one call from when the telephone call is received by the telecommunications operator to the time the first officer arrives at the location. An emergency call is defined as a call in which there exists an imminent threat to life and/or potentially severe property loss. The Patrol Division's goal is to have an average response time to priority one calls of less than five (5) minutes.
